My name is Lisha Stout I live at 182 Beechview Dr. in Burnside,Ky. I received a letter in ref to Court Docket number 2007-00452, regarding a cellular tower that American Cellular Corporation is wanting to build at 380 Race Track Rd. Burnside. I live in the Beechview Subd. which is located on Beechview Dr. its within 500' of the proposed tower. I have one tower behind my residence at the present time and do not want another. I strongly disagree with building another tower so close to my residence and will do whatever it takes to keep it out. Please let me know, if you can what I need to do in this matter. I thank you in advance for your time and will be waiting to hear from you.
